March 28 - Satanists Prepare Christians & Muslims for Culling

March 28, 2025

(Defence Sec. Hegseth wears tattoos of militant Christian orders. See another below.)

Trump chose a Christian Crusader to lead the US in a suicidal war.
In 1871, Albert Pike, Masonic Grand Commander laid out a plan for three world wars.

In the third, Christians and Muslims would eradicate each other. See

Dr. Suzanne Humphries makes bombshell appearance on Joe Rogan podcast, exposing vaccine industry deception back to POLIOMYELITIS

https://www.naturalnews.com/2025-03-28-dr-suzanne-humphries-makes-bombshell-appearance-on-joe-rogan-podcast.html

"Before 1986, vaccine makers faced lawsuits for injuries like Guillain-Barré syndrome from the 1976 swine flu shot. "They couldn't even get insurance," Humphries explained. Their solution? Bully the government into a bailout. The result was the National Childhood Vaccine Injury Act, sold as "compensation for families" but designed as a kangaroo court that denies 70% of injury claims.

With zero liability, companies like Wyeth (now Pfizer) unleashed untested adjuvants, skipped saline placebo trials, and expanded the childhood schedule--all while profits soared. "Vaccines are tested against other vaccines, not placebos," Humphries noted. "The few saline studies show vaccines often increase susceptibility to the diseases they claim to prevent."

More key points on vaccine deception: 1. Polio was never eradicated--diagnostic criteria were changed post-vaccine rollout, masking ongoing cases as Guillain-Barré, lead poisoning, or viral infections. 2. Vaccine manufacturers admitted their products were "unavoidably unsafe" yet gained legal immunity in 1986, leading to lax safety testing and rampant use of toxic adjuvants like aluminum and mercury.

https://thegovernmentrag.com/articles/as-israel-us-escalate-middle-east-war-more-staged-kabuki-theater-at-home/

As predicted, the Zionist Israel controlled Synagogue of Satan Trump administration is deliberately escalating hostilities in the Middle East toward all-out US-Israel World War III against Iran and its Islamic Axis of Resistance in Yemen, Lebanon and Gaza. In recent years, the US has significantly increased its occupying military forces to exceed 40,000 soldiers and seamen spread throughout the West Asia-Middle East region in preparation for yet more Greater Israel Project wars against Islam resistance forces led by Iran.

Make no mistake, the US military troops deployed in this volatile region of the world have never been to stabilize or maintain peace, but to utilize unipolar Empire of Chaos to do just the opposite, destabilize the region as evidenced by waging virtual nonstop war, most recently overthrow Syria's Bashar Al-Assad by US-Israeli funded proxy terrorists massacring Alawite and Christian minorities into yet another crippled failed state. The terrorist enemy of peace has never been the nations of Islam, but only the genocidal pariahs Israel and the United States, that within 20 years after slaughtering 3,000 Americans on 9/11 to justify its "new Pearl Harbor" and War on Terror in Iraq and Afghanistan, the US and Israel are responsible for the deaths of over 30 million Muslims through this century's violence and war-imposed deprivation.

Helena---European Economies Spiral into the Abyss

https://helenaglass.net/2025/03/25/european-economies-spiral-into-the-abyss/

Europe's natural gas supply comes from a mix of sources, including pipelines from Norway (30%), Algeria, and Azerbaijan, and through Liquified Natural Gas imports from the United States (20%), Qatar, and Russia. Obviously, imports from the US and Qatar would be shipped via tanker - running on diesel fuel. Austria and Hungary get their LNG from Turkey which gets it from Russia - a middle man price scheme.

In the midst of these economic spirals, Germany and France have announced their transition to a war economy, wherein higher taxes, more borrowing and higher inflation are typically interdependent. It also means shifting the workforce out of manufacturing of goods and transferring that labor to the production of military equipment and weapons. Further reducing competitive trade in favor of the anticipation of future warfare. In this scenario - likely 2035 or beyond.

How Israel Killed the Kennedys • 1h27m
Mike Whitney Interview with Ron Unz

https://www.unz.com/runz/how-israel-killed-the-kennedys/

"By contrast, the Israeli Mossad and the Zionist groups that preceded the establishment of the Jewish state seem to have had a very long track record of assassinations, including those of high-ranking political figures who might normally be regarded as inviolate. Lord Moyne, the British Minister of State for the Middle East, was assassinated in 1944 and Count Folke Bernadotte, the UN Peace Negotiator sent to help resolve the first Arab-Israel war, suffered the same fate in September 1948. Not even an American president was entirely free of such risks, and Piper notes that the memoirs of Harry Truman's daughter Margaret reveal that Zionist militants had tried to assassinate her father using a letter laced with toxic chemicals in 1947 when they believed he was dragging his heels in supporting Israel, although that failed attempt was never made public. The Zionist faction responsible for all of these incidents was led by Yitzhak Shamir, who later became a leader of Mossad and director of its assassination program during the 1960s, before eventually becoming Prime Minister of Israel in 1986."

Here's some Trump administration news that even the most diehard, black-pilled doomer can get behind: Health Secretary Robert F. Kennedy, Jr. wants to ban pharmaceutical ads on television. (They did it with cigarettes, why not with drugs that are a thousand times worse and more harmful?)

Ads for the STUPID-19 fake vaccine are still being aired on television. It's the gift that keeps on killing. Mia Love, the first black Republican woman elected to Congress died of brain cancer last week at the young age of 49. She was fully vaccinated.

Jessica Aber, a nice-looking, 43-year-old prosecutor, was just found dead. After days of deliberating, police now say she died suddenly of natural causes. Sure. 43-year-olds die suddenly of natural causes all the time.

Of course, Aber might have been murdered. She was involved with prosecuting pedophiles, including James Gordon Meek, the ABC reporter who claimed without evidence to have "debunked" Pizzagate. **https://www.thegatewaypundit.com/2025/03/biden-appointed-us-attorney-found-dead-her-virginia/**

Hit 'Em Where it Hurts - in the Wallet

Banning drug ads from television would be good in two ways. First, ad revenue from pharmaceutical companies helps keep Fake News networks in business. The loss of that revenue would be a huge blow to their operations.

Second, banning drug ads on television would reduce the number of people who foolishly take pharmaceutical drugs. However, those numbers might not be as high as we'd like, because the same braindead Americans who watch television are the ones who continue to visit doctors and hospitals and keep them in business. They won't see ads on television, but if their idiot doctor tells them to take a drug, they'll take it without question.

While we're on the subject of drugs, did you know that the Bible teaches that all drugs are sorcery and witchcraft, and that those who dispense them are witches and poisoners? It's true, and you can prove it to yourself quite easily. Here's how I explained it in my Teen Boys Success Book:

"There's a book called Strong's Concordance, which contains the

Hebrew and Greek translations for every word in both the Old and New Testament in the Bible. If you take that book, and put it next to your King James Bible, and then turn to Revelations 18:23 and look at the last sentence, it reads, 'For thy merchants were the great men of the earth, for by thy sorceries were all nations deceived.'

"Then open your Strong's Concordance to the Main Concordance and find the word 'sorceries.' Scroll down the list under that word to Revelations 18:23 or Re 18:23. Next to that it will say, 'by thy s were all nations deceived,' followed by the number 5331. Turn to the back of the book where the Greek translations are, locate that same number, and you'll see that it says, 'pharmakeia from 5332; medication ('pharmacy'), i.e. magic, sorcery, witchcraft.'

"If you scroll down a couple of lines, you'll see that it also says, 'Pharmakon; a druggist or poisoner, i.e. a magician, sorcerer.' The Bible has always taught that drugs are sorcery and that those who dispense them are sorcerers, witches and poisoners. Weak-willed women and feminized men don't want to admit that because they're cowards and prefer to hide from the truth, but there it is. Now you know the truth."

So if drugs are sorcery and witchcraft, what does that tell you about the companies that run ads for drugs on television? What does it tell you about the people in television who take those ads? And, most importantly, what does it tell you about the millions of mush-brained morons who willingly inject themselves and their children with drugs?

Mike Stone is the author of the new book ***REAL or FAKE: The Donald Trump Assassination Attempt*** and ***Teen Boy's Success Book: the Ultimate Self-Help Book for Boys; Everything You Need to Know to Become a Man***

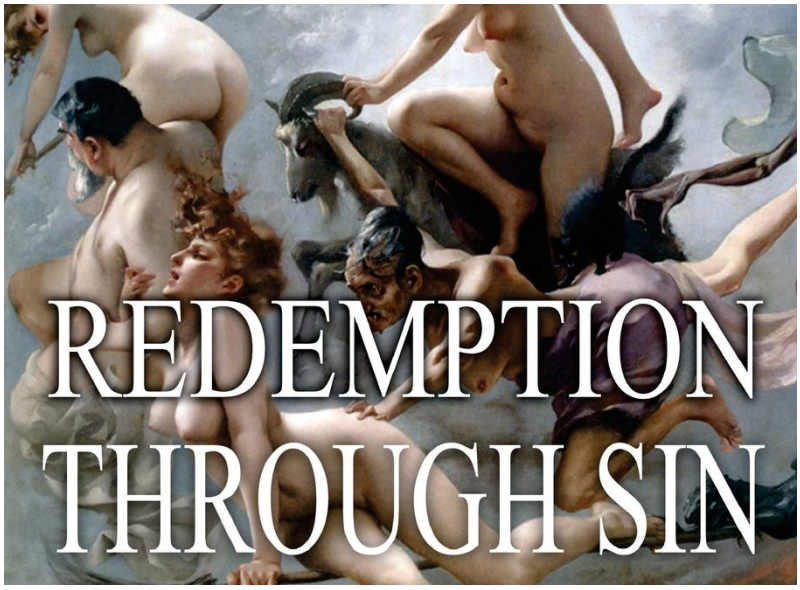
Robert Sepehr -- How Judaism Became a Satanic Cult

March 25, 2025

Communism (which is Satanism) originated in the Sabbatean-Frankist movement.
It is dedicated to robbing and exterminating non-Satanists. The Democratic Party is Communist. It conquers by subversion. The



GOP pretend to take an opposing fascist position.
They subvert by being conquered in war, e.g. Hitler.

"Adam Weishaupt was the son of a Jewish Kabbalist Rabbi in Bavaria, but educated by the Jesuits who converted him to Catholicism after his father died when he was five. (Excerpts by henrymakow.om)

Most people have heard of Jesus Christ, considered by Christian followers to be the Messiah who lived over 2000 years ago. But very few people have ever heard of Sabbatai Zevi, who declared himself to be the Messiah in 1666. He amassed a following of over one million believers, half the world's Jewish population during the 17th century, by proclaiming that redemption was available through acts of sin.

Considered a heretic by many of his contemporary Rabbis, nonetheless, his fame extended far and wide. Sabbatai's adherents planned to abolish many of the ritualistic observances, because, according to the Talmud, in the Messianic time there would no longer be holy obligations.

Fasting days became days of feasting and rejoicing. Sexual promiscuity, adultery, incest and religious orgies were encouraged and practiced by Sabbateans.

After Sabbati Zevi's death in 1676, his philosophy would be continued, and expanded on, by his Kabbalist successor Jacob Frank.

Frankism, a religious movement of the 18th and 19th centuries, centered on the leadership of the Messiah claimant Jacob Frank. He, like Zevi, would perform strange acts that violated traditional religious taboos, such as eating fats that were forbidden by Jewish dietary laws, ritual sacrifice, promoting orgies and sexual immorality.

Jacob Frank would eventually enter into an alliance formed by Adam Weishaupt and Meyer Amshel Rothschild called the Order of the Illuminati. The objectives of this organization was to undermine the world's religions and power structures, in an effort to usher in a utopian era of global communism covertly ruled by their hidden hand: the New World Order. Using secret societies, such as the Freemasons, their agenda has played itself out over the centuries, staying true to the script. Opposition is handled by a near total control of the world's media, academic opinion leaders, politicians and finance. While still considered a conspiracy theory to many, more people are waking up each day to the reality that this is not just a theory, but a true conspiracy.

-

Sabbateanism is the matrix of every significant movement to have emerged in the eighteenth and nineteenth century, from Hasidism, to Reform Judaism, to the earliest Masonic circles and revolutionary idealism. The Sabbatean believers felt that they were champions of a new world which was to be established by overthrowing the values of all positive religions. (1)

-

Although Jacob Frank was born fifty years after the death Sabbatai Zevi, he deserves to be regarded as Sabbatai's true successor. He extended the paradoxical teachings of Zevi that the coming of the messianic age had transformed sexual prohibitions of the bible into permissions and even obligations. According to Frank, engaging in sexual orgies became the means to purify the soul from its sins. Debauchery became therapy. Frank convinced his followers that the only way for their special form of Judaism to survive was for them to outwardly become Christians, just as the Donmeh had descended into the world of Islam.(10)

-

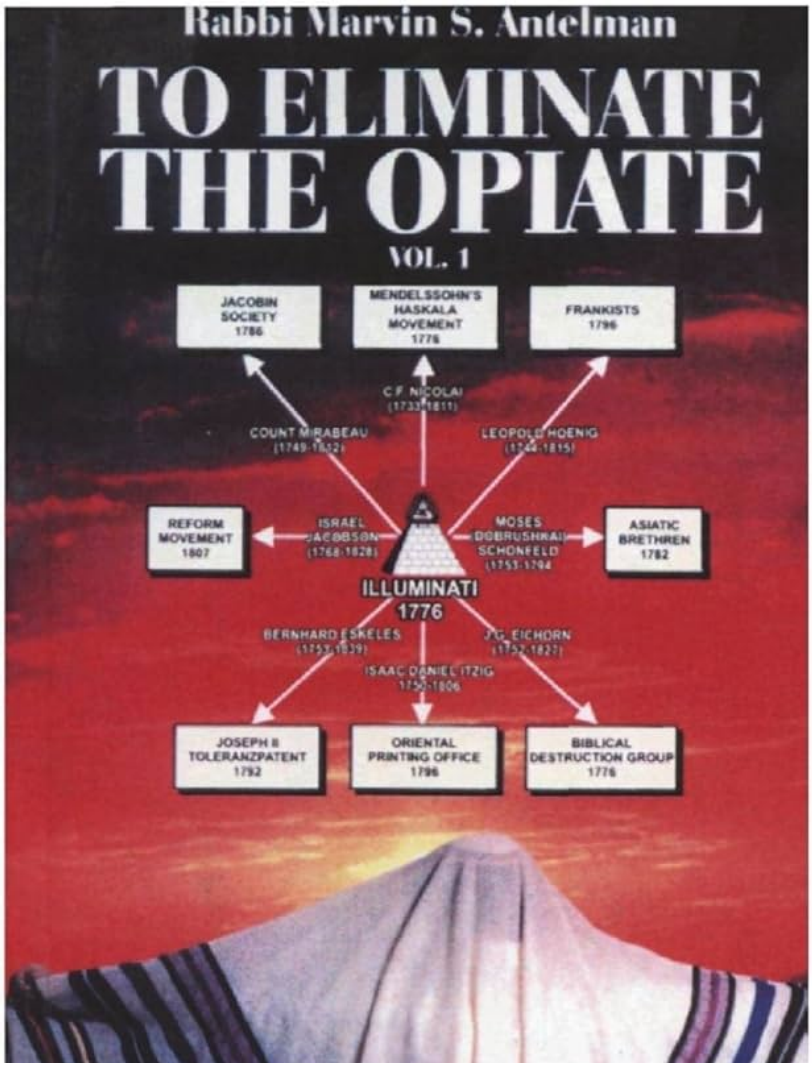
Gershom Scholem famously said that people will always remember Jacob Frank as one of the most frightening phenomena in the whole of Jewish history, and was: "a religious leader who, whether for purely self-interested motives or otherwise, was in all his actions a truly corrupt and degenerate individual."(1)

Jacob Frank himself candidly summed up his own philosophy in a single remark: "It is one thing to worship God and quite another to

follow the path that I have taken."(1)

According to Frank, one had to free oneself of all laws, conventions, and religions, to adopt every conceivable attitude and to reject it, and to follow one's leader step by step into the abyss. The annihilation of every religion and positive system of beliefs was the true way he expected his believers to follow. Jacob Frank taught that in order to ascend one must first descend. In Frank's own words: "No man can climb a mountain until he has first descended to its foot. Therefore we must descend and be cast down to the bottom rung, for only then can we climb to the infinite. This is the mystic principle of Jacob's Ladder, which I have seen and which is shaped like a V... Again, I did not come into this world to lift you up but rather to cast you down to the bottom of the abyss. Further than this it is impossible to descend, nor can one ascend again by virtue of one's own strength, for only the Lord can raise one up from the depths by the power of His hand."

-



In his classic book, *To Eliminate the Opiate* (Vol. 2), Rabbi Marvin S. Antelman explains where Jacob Frank's got his financing:

Frankfurt at the time was the headquarters of the Jesuit, Adam Weishaupt, founder of the Illuminati, as well as Rothschild Brothers' financial empire. This is worth repeating: Frankfurt was the birthplace of both the Illuminati and the Rothschild Empire. When Jacob Frank entered the city, the alliance between the two had already

begun. Weishaupt provided the conspiratorial resources of the Jesuit Order, while the Rothschilds contributed the money. What was missing was a means to spread the agenda of the Illuminati and that the Frankists added with their network of agents throughout the Christian and Islamic worlds. Jacob Frank became instantly wealthy because he was given a nice handout by Mayer Amshel Rothschild of Frankfurt. (11)

--

May 1, 1776 was the formal date that Adam Weishaupt officially founded the Orden der Perfektibilisten (The Order of Perfectibilists), also known as the Illuminati of Bavaria. **Weishaupt was the son of a Jewish Kabbalist Rabbi in Bavaria, but educated by the Jesuits who converted him to Catholicism after his father died when he was five. He eventually became a priest, but defected and formed an alliance with Lord Meyer Rothschild who financed the Illuminati agenda.(29)**

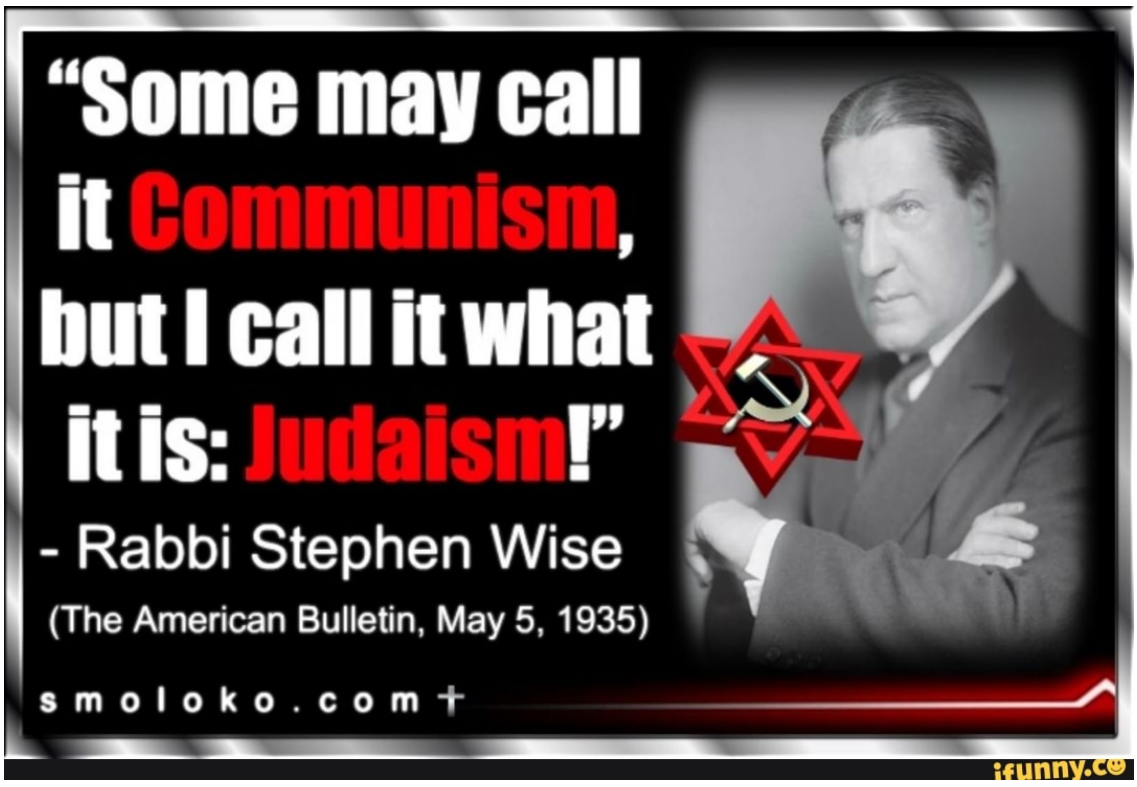
When Adam Weishaupt formed the Order of the Illuminati, he arranged the timing of key events by Kabbalistically arranging numbers in a manner which would add to numbers of greatest occult significance. For example, he chose May 1, because May, the fifth month added to the first day, equals six. Weishaupt chose 1776, because the four numbers of this year add up to 21 (1+7+7+6 = 21). Further, the sacred number 6 + 21 = 27 was another number with occult Kabbalistic "power", because it is formed by multiplying 3x9. Weishaupt carefully chose this date because he believed that even the greatest plan would be doomed to failure if it was not carried out at the most numerically advantageous time.

The long term political goals of their occult secret society called for the execution of the following plan: (These are the goals of the Communist Manifesto)
Abolition of all monarchies and all ordered governments
Abolition of private property and inheritances

Abolition of patriotism and nationalism.
Abolition of family life and the institution of marriage
The establishment of communal education for children
Abolition of all religion (30)

In his book, *Shabatai Tzvi: Labor Zionism and the Holocaust,* Jewish author Barry Chamish says that:

The Rothschilds goal was to control the wealth of the planet. And the Frankist vision was the destruction of Jewish ethics to be replaced by a religion based on the exact opposite of God's intentions. When these factions blended, a bloody war against humanity, with the Jews on the front lines, erupted and it is reaching its very pinnacle at this moment. (8)



"Some may call it Communism, but I call it what it is: Judaism!"
- Rabbi Stephen Wise
(The American Bulletin, May 5, 1935)

ifunny.co

In 1777, the Illuminati began to co-operate with all the Masonic lodges (especially the Grand Orient) with the purpose of infiltrating them. Even the Duke of Brunswick, Grand Master of Germany, said in 1794 that the Illuminati controlled the Masonic lodges. In time, the Illuminati won control of every Masonic order in the world. When Weishaupt became a member of the Grand Orient, Mayer Amschel Rothschild (1743-1812), the founder of the Rothschild dynasty, provided the financial backing for the lodge, according to the British historian Nesta Webster. (27) According to Rabbi Marvin Antelman, Rothschild convinced

Weishaupt to accept the Frankist doctrine, and afterward financed the Illuminati. He aimed to fulfill the Frankist plot of subverting the world's religions, and the Zionist objective of instituting a global government which would be ruled by a King from Jerusalem. (11)

In Latin, Lucifer literally means 'Light-bearer'. As its name implied, members of the Illuminati possessed the 'Light of Lucifer'. They believed that people who possessed it were truly enlightened and capable of governing. Their avowed purpose and goal was the establishment of a "Novus Ordo Seclorum" - a New World Order, or One World Government, ruled by it's capital in Jerusalem.

--

Mayer Rothschild summoned 12 affluent men to Frankfort, and asked them to pool their financial resources. He then presented the 25-point plan that would enable them to gain control of the wealth, natural resources and manpower of the entire world. This plan included instructions on how to preach "Liberalism" to usurp political power, initiate class warfare, dismantle and reconstruct all existing institutions, and remain invisible until the very moment when the Illuminati had gained such strength that no cunning or force can undermine it. (9,13,29) Other highlights of their plan included the use of mob psychology to control the masses.

They would systematically advocate and use alcoholic liquors, drugs, moral corruption and all forms of vice to corrupt the youth. (30) In addition, they planned to use the press for propaganda to control all outlets of public information, while remaining in the shadows, clear of blame. The plan called for the masses to be made to believe that they had been the prey of criminals, and then they would restore order and to appear as the saviors. (29,30)

"This all adds up to a tremendous opportunity for the expansion of Judaism. If classic Judaism represents a superior way of life and/or the way God wants people to live, why shouldn't tens or hundreds of millions of people choose to become Jews? By "choosing to become Jews" I mean deciding to join their fate with and to love the Jewish people, and to live a Jewish life with the Jewish people according to Jewish law--as best they can--after a conversion according to that law ".

> EU RU Frau von der Leyen presents the 'Readiness Plan' for the rearmament of the EU by 2030, with the aim of preparing against the alleged aggressor: Russia.
> But here is the fundamental question: if Russia really intended to attack the European Union, why would it wait until 2030? 🤷
> The answer is simple: it's just theater. A script already written, a well-orchestrated scenario to justify yet another arms race, to drain public resources and to keep the masses in constant fear.
> Von der Leyen and Putin are not real enemies, they are actors in the same play. She, a freemason at the service of the global elite, and he, another puppet of the system, play opposite roles to fuel a narrative of conflict and division.
> This charade serves only one purpose: to maintain control. With the threat of an “external enemy,” citizens are more likely to accept restrictions, senseless military spending, and authoritarian policies. It’s always the same strategy: create a problem, stoke panic, and then offer a “solution” that only benefits the elite.
> The EU is not preparing to defend itself. It is preparing for the next phase of global control. And as always, the enemy they show you is just an illusion.”

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands: https://www.americanthinker.com/articles/2024/10/does_georgia_s_algori

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. https://x.com/i/web/status/1851356742044491854

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no

longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

Ukrainians would think they are fighting against expansionist Russia, struggling for independence.
Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.
These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Before you put your faith in Donald Trump, consider this:
He is a Jewish puppet like every other candidate
He supports Israeli psychopath and terrorist, Bibi Netanyahu.

He was grand marshall of NYC annual Salute to Israel Parade.
His organization is filled with Jews in executive positions.
His daughter Ivanka converted to Judaism (2009) before marrying Jewish media filth, Jared Kushner (owner and publisher of New York Observer).
His son, Eric married Jewish media filth Lara Yunaska (2014).
His is very cozy with many Wall Street con men and has even stated that he intends to bring in these Wall Street scumbags if elected president.
He supported the Jewish Wall Street banking bailout in 2008.
He's a friend of convicted Jewish pedophile pimp, Jeffrey Epstein.

The virus is NOT the real threat.

It's the Deep State. And the Media. Together, forcing chaos in order to get once again the only thing that they want: more power.

The virus is not the real threat. They are.

It's comical but no one dares mention it.
He is signalling his true Luciferian loyalty all of the time.
